

PUPIL PREMIUM IMPACT STATEMENT

At Emneth Academy, we have high aspirations for all the children in our community and believe that all children should be given the opportunity to reach their full potential. We seek to provide personalised learning opportunities and targeted support to allow every child to flourish.

In order to meet the above requirements, Emneth Academy will ensure that provision is made which secures the teaching and learning opportunities that meet the needs of all pupils. Our priorities are to:

- support all ability children in achieving the expected standard at the end of KS2;
- ensure that there is support to social, emotional and health difficulties;
- identify additional needs and to promote early intervention programmes at the earliest opportunity;
- provide financial support to overcome hardships and allow pupils to experience the full range of life opportunities; and
- use academic research and past evidence to make informed choices about the most suitable intervention programmes to ensure we promote accelerated learning.
