

Human

All people are humans, including men, women and children. We are animals that **walk on two legs and speak using words**

Senses

Our senses tell our bodies about things around us by **seeing, hearing, smelling, tasting or feeling**

Eyes

With our eyes, we **see**

Ears

With our ears, we **hear**

Mouth

With our mouth, we **taste**

Nose

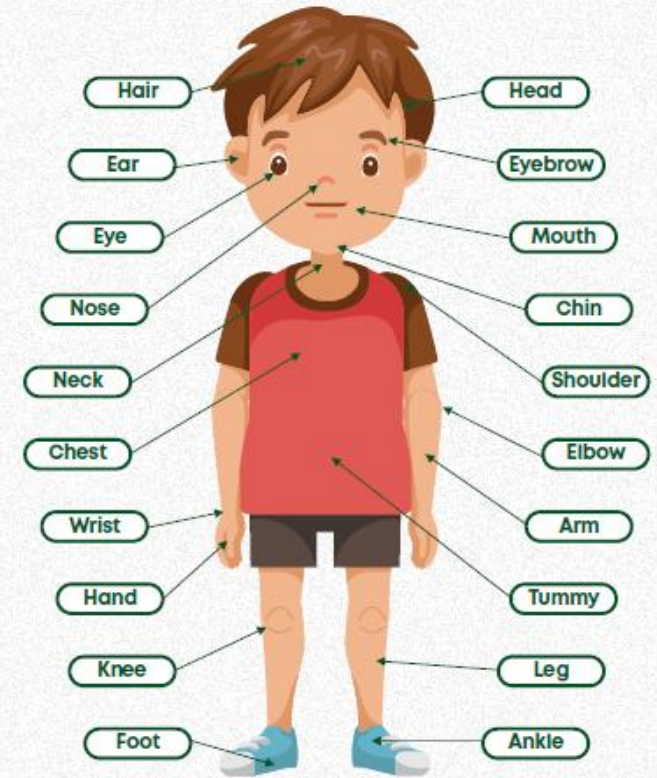

With our nose, we **smell**

Skin

With our skin, we **feel**

Sensory
impairment

When one or more of your **senses does not work properly**
