HALLOWEEN QUIZ

What a spooktacular Quiz night we had.

Big thank you to everyone involved in making the quiz happen and for all the support shown on the night.

All the children dressed in their costumes looked incredible. Well done Hunter for winning the best dressed competition and a big Well Done to our winners of the Quiz "The Undertakers"

Lots of fun was had by all and after receiving all card payments we have a higher total raised than first calculated.

Special thank you to Gill Beckett for all her hard work, the night was wonderful.

NATIONAL APPLE DAY

Thank you to Rachael's Plant Outlet for donating two apple trees to be added to the school field and to Ben Else for kindly coming to plant these for us. The children from the Eco-Council got stuck in and had a go at digging but in the end the hard work was left to the professional and our assistance was far better equipt for the actual positioning of the trees!!

We are hopeful these will have fruit for next year.

DIYA PAINTING WORKSHOP

A little snippet of the Diya Painting Workshop from last term. Feedback has been that the children were super engaged and really enjoyed the workshop. They all learnt what each colour they added represented and got to bring these home.

KINDNESS DAY

Money can be raised anyway you choose, we want you to use your imagination and get creative with it. All we ask is that you incorporate the number 25.

WHEN?

The 2025 Challenge will run for the whole of the Autumn Term
September - December

Children can bring the money they have raised into school week commencing 6th January 2026.

Please bring donations to school in a clearly marked envelope with the children's name and what they did to raise the money and the amount raised.
