Anti-Bullying Charter 2025-6

At Emneth Academy we stand together against bullying. Bullying is: 'targeted with intent, hurts others, is repetitive and demonstrates an overbalance of power'."

We aim for all children here to: fulfil their potential by discovering a love of learning, while being provided with chances to broaden their outlooks.

We try to:

- Listen and support each other - you are not alone
- Tell, tell, tell an adult if something is wrong
- Respect each other and ourselves
- Remember: 'Ready, Respectful and Safe;
- Take ownership for yourself and your actions
- Promote our school and British Values
- Show tolerance and understanding of our differences

If we have a problem we can tell:

- ◆ ANY member of staff in school
- ◆ Our parents, carers and family
- ◆ Teachers and Teaching Assistants
- ◆ Our class Worry Monster
- ◆ Our friends

We all have a responsibility to:

- Be kind
- Be an upstander and tell
- Walk away/use a safe place
- Stay focussed
- Be the best you can be

"We don't tolerate bullying - we are all responsible and work together to create a happy and safe school!"
