20 Things...An Overview

Welcome to the Emneth Top 20! curriculum enrichment programme. We will be having a great deal of fun together as we enjoy all 20 experiences.

Get ready for plenty of adventures, loads of learning and lifelong memories.

Emneth Academy fully covers the costs of 18 of the Top 20! We ask for contributions to experience 19 and 20 (residential visits).

Note to parents:

The Emneth Top 20! Is designed to move our curriculum to outstanding. We want your child to develop a love for learning and to have positive memories about their time at primary school. We have selected the experiences that we think one is designed to...

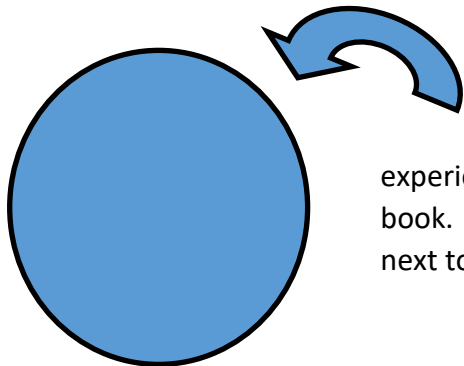

We have selected the experiences carefully. Each one is designed to push boundaries of experiences traditionally associated with school, whilst ensuring learning is at the centre of them all. We look forward to you joining us on some of the experiences.

Using This Book

Where to start:

Every year, from Reception to Year 6, you will take part in several experiences.

There's places to doddle and review your experiences at the back of this book. You can also print out the best photos from each experience and stick them in the picture gallery. This will be a great collection of memories for you to keep when you leave our school.

When you've completed an experience, we will stamp your book. Remember to write the date next to the stamp.
